CHARITABLE FUND

American Association of University Women Greater Wayne Area Branch

Join us as we work together to empower women!

For over 140 years, AAUW has led the fight for gender equity through advocacy, funding, and collective action.

The Greater Wayne Area branch facilitates this goal by awarding scholarships to women over 25 returning to college for their bachelor's degree, and by supporting young girls interested in the fields of science, technology, engineering, and mathematics (STEM).

We also enjoy the company of like-minded women and have fun together.

- ★ We play games
- ★ We discuss books, poems, and films
- ★ We stay informed at current events meetings
- ★ We have meaningful conversations about our life experiences,
- ★ We go on cultural outings, and
- ★ We share meals.

To join our branch, fill out the New Member Application and become a member today.
